TOOLS FOR SUCCESS

HessAuctioneers.com & HessAuctioneers.net:

With links to the industry leaders in advertising, technology & constant updates, our websites work for you. We are rapidly increasing our internet exposure on major search engines, while tracking the results. Our Email marketing list is growing daily as well.

Online Bidding:

Expose your items to a World Wide Market! Online bidding and purchasing is now a standard in our industry. We have buyers from all over the world participating in our auctions. We offer online bidding through Equipmentfacts.com.

Print Advertisements:

We invest in industry print advertising to create a strong presence in the marketplace.

Mailings:

Typically we mail two ads per auction to our mailing list, which is consistently updated and growing.

Auction Pre-Registration:

Save time and pre-register for our next auction online at HessAuctioneers.com.

Notary Services:

We have a Notary on premise. For your convenience, Power of Attorney forms are used for titled vehicles.

Storage of Equipment:

We have a secure 5 acre concrete pad to store your consigned equipment.

Options:

Absolute & Reserve

Experience:

Our auction team has over 50 years of industry experience.
